# Are you still searching for an unique location for your festivities?

The cruises of the Schmittenhöhebahn AG offers you the perfect ambience.

Because of our extensive experience and know-how we are the best choice to make your festivities unforgettable.

Our nostalgia boat ‚Libelle‘ offers the perfect option for a small and intimate wedding.

If you are looking for something not too big but also not too small, we recommend our boat ‚Kaiserin Elisabeth‘.

A large company or family celebration can also be organized on our flagship the ‚MS Schmittenhöhe‘.

---

Our on-board catering will spoil you and your guests with culinary delights and will serve you various delicacies.

For musical accompaniment we can offer you different equipment, if you want to be your own DJ or we can recommend you selected music groups if you prefer live music.

On the following pages we provide you with a small insight on our ships. Everything further can be discussed in a personal meeting.
